Thank you!
Weedweavers beautifies events with unique floral designs, available to participants for a donation. Proceeds from network floral sales benefit a variety of local non-profits. These include the URI Foundation, PlanUSA, Big Sisters of RI, URI Great Performances, Welcome House of South County, Hera, and more.
The mission of Women’s Network RI is to provide networking opportunities for positive and energetic women who support one another and their communities.

We meet at the best places!

Women’s History Month

May 23
Wilcox Tavern, Charlestown
Ann Hood
Author

The network provides a unique opportunity to meet other women from a wide range of interests and professions. They are active in business, non-profits, government and more.

Power presenters inspire and educate during our sessions. The price ($35 per event) is all inclusive (hors d’oeuvres, wine, soft drinks, tax, and gratuity). This is an opportunity to sample the hospitality at some of the best venues in South County.

A community display table is provided to disseminate brochures and promotional material for your business or organization.

For the first time, membership and sponsorship opportunities are available online.

Sue Velicer,
Founder and President
