If you are a student in the Industrial and Systems Engineering undergraduate program at URI, you have the opportunity to participate in a program which allows you to complement your engineering degree with the business skills needed in the workplace. The 4+1 program gives you a competitive advantage in job placement and advancement into management positions. There are no business course prerequisites to the MBA program.

**OPTION 1: BS in ISE Followed by One Year MBA**

To complete the MBA in One Year, you would apply during your senior year to the One Year MBA in Strategic Innovation. This program only begins each Fall semester, with a cohort group of 25 students taking place at our URI Feinstein Providence Campus. The program promotes:

- Cross functional learning modules emphasizing critical thinking and decision making.
- Experiential learning opportunities through project based learning teams, consulting projects, internships.
- Dedicated team of faculty for the entire program.
- Innovative curriculum.

For a full description and details about this program, visit [www.mba.uri.edu](http://www.mba.uri.edu)

**Evening MBA Program Requirements**

The program consists of 15 courses (or less, depending upon waiver policies below).

**Required Courses:**

- **ECN 590: Principles of Economics** - (Econ waived if took ECN201/202 with B or better)

- Marketing
- Supply Chain Management
- General Business

Please note it will take longer than a year to complete if participating on a part-time evening basis.

**OPTION 2: BS in ISE Followed by Evening MBA**

If you are working full time after finishing your undergraduate degree, you would choose option 2. The Evening MBA program is a part-time program held in the evenings at our URI Feinstein Providence Campus. Classes meet one night per week from 6-8:45pm. In this program, you are allowed to apply early – second semester junior year, take an Evening MBA class (like MBA530) your senior year and use this as a professional elective in the ISE program. Please
Admission Requirements for the Program:

Requirements include:

✓ Completion of the online MBA application at http://www.uri.edu/gsadmin/
✓ Statement of purpose (essay)
✓ Two letters of recommendation
✓ Resume (full time work experience is not required)
✓ $65 application fee
✓ Transcript(s)
✓ GMAT or GRE test is required.
✓ Residency form is not required for RI state residents if you pursue the MBA immediately after graduation.
