RE: Year End Close Deadlines

The purpose of this memorandum is to list the final dates by which the Controller’s Office must receive various types of accounting documents in order to ensure that they are posted during the fiscal year ending June 30, 2009. The cutoff time on each due date is 4:00 PM. Documents received by this office after that time will be deemed to have missed the deadline and will NOT be processed. There will be no exceptions.

Please keep in mind that any documents we receive without all the necessary authorized signatures will be returned to you with a return document form. Since this could result in a deadline being missed, you are urged to route all documents to all necessary intermediaries (i.e. Grants & Contracts, Budget Office, Purchasing, etc.) on a timely basis and to follow up with these intermediaries as the due dates get closer.

You may call 874-2378 should you have any questions regarding this timetable.

---

**Wednesday ~ May 27th at 9:00 AM in Atrium 2 of the Memorial Union**

The meeting will be to discuss the Year End cutoff procedures. The goal of these procedures is to make sure that all expenses and revenues relating to FY2009 are recorded in the proper period. All interested parties are encouraged to attend.
