Nothing contained herein shall prevent the Association from consulting with the President at times other than those set forth above, if matters of mutual concern arise of an urgent or emergency nature.
ARTICLE V

ACADEMIC FREEDOM

5.1 Faith in the fundamental importance of freedom forms a major theme in the history, government and tradition of the State of Rhode Island and Providence Plantations and of the United States of America. Freedom is also recognized on practical grounds as vital to the teacher in his/her search for and dissemination of truth. Although academic freedom is not written into law, it is well established in custom and grounded in traditions of long standing in the colleges and universities of the Western world, protecting professional teachers from interference with their obligation to pursue the truth. Though it is a specific kind of freedom peculiar to members of the teaching profession in higher education, its benefits ultimately accrue as much to the public at large as to the teachers themselves. In fact, the present age of accelerating change emphasizes that education must stress development of the capacity for critical thought, a capacity that can be achieved only when freedom in inquiry and discussion prevail. Therefore, in accordance with the ideals of state and nation, and in order that the institutions under its jurisdiction might perform well the functions for which they are established, the Board and the Association affirm their unqualified acceptance of the principle of freedom in inquiry and expression.

5.2 Academic freedom has been defined and codified in a statement of principles that was prepared by representatives of the American Association of University Professors and the Association of American Colleges. Adopted by both organizations in 1941 and later endorsed by many other professional and learned societies, it is known as the "The 1940 Statement of Principles on Academic Freedom and Tenure." The Board and the University of Rhode Island unconditionally endorse the 1940 Statement, including the following pertinent passages:

"Institutions of higher education are conducted for the common good and not to further the interest of either the individual teacher* or the institution as a whole. The common good depends upon the free search for truth and its free exposition."

"Academic freedom is essential to these purposes and applies to both teaching and research. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspects is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning. It carries with it duties correlative with rights."

"The teacher is entitled to freedom in the classroom in discussing his/her subject, but he/she should be careful not to introduce into his/her teaching controversial matter which has no relation to his/her subject. Limitations of academic freedom because of religious or other aims of the institution should be clearly stated in writing at the time of the appointment."

* The word “teacher” as used in this document is understood to include the investigator who is attached to an academic institution without teaching duties.
"The college or university teacher is a citizen, a member of a learned profession, and an officer of an education institution. When he/she speaks or writes as a citizen, he/she should be free from institutional censorship or discipline, but his/her special position in the community impose special obligations. As a person of learning and an educational officer, he/she should remember that the public may judge his/her profession and his/her institution by his/her utterances. Hence he/she should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that he/she is not an institutional spokesperson."

**POLITICAL ACTIVITY**

5.3 The PTF member is a citizen, and like other citizens, should be free to engage in political activities so far as he/she is able to do so consistent with his/her obligations as a faculty member.

5.4 Many kinds of political activity (e.g., holding part-time office in a political party, seeking election to any office under circumstances that do not require extensive campaigning, or serving by appointment or election in a part-time political office) are consistent with effective service as a member of a faculty.

**ARTICLE VI**

**PROFESSIONAL ETHICS AND RESPONSIBILITIES**

6.1 The PTFU endorses the Statement of Professional Ethics prepared by the American Association of University Professors, including the following concepts:

PTF, guided by a deep conviction of the worth and dignity of the advancement of knowledge, recognize the special responsibilities placed upon them. Their primary responsibility to their subject is to seek and to state the truth as they see it. They accept the obligation to exercise critical self-discipline and judgment in using, extending, and transmitting knowledge. They practice intellectual honesty. Although professors may follow subsidiary interests, these interests must never seriously hamper or compromise their freedom of inquiry.

As teachers, PTF encourage the free pursuit of learning in their students. They hold before them the best scholarly and ethical standards of their discipline. Professors demonstrate respect for students as individuals and adhere to their proper roles as intellectual guides and counselors. Professors make every reasonable effort to foster honest academic conduct and to ensure that their evaluations of students reflect each student's true merit. They respect the confidential nature of the relationship between professor and student. They avoid any exploitation, harassment, or discriminatory treatment of students. They acknowledge significant academic or scholarly assistance from them. They protect their academic freedom.

As colleagues, PTF have obligations that derive from common membership in the community of scholars. PTF do not discriminate against or harass colleagues and students. They respect and defend the free inquiry of associates and students. In the exchange of criticism and ideas professors show due respect for the opinions of others. PTF acknowledge academic debt and strive to be objective in their judgment of colleagues.
As members of an academic institution, professors seek above all to be effective teachers and scholars. Although PTF observe the stated regulations of the institution, provided the regulations do not contravene academic freedom, they maintain their right to criticize and seek revision. PTF give due regard to their paramount responsibilities within their institution in determining the amount and character of work done outside it. When considering the interruption or termination of their service, professors recognize the effect of their decision upon the program of the institution and give due notice of their intentions.

As members of their community, PTF have the rights and obligations of other citizens. PTF measure the urgency of these obligations in the light of their responsibilities to their subject, to their students, to their profession, and to their institution. When they speak or act as private persons they avoid creating the impression of speaking or acting for their college or university. As citizens engaged in a profession that depends upon freedom for its health and integrity, PTF have a particular obligation to promote conditions of free inquiry and to further public understanding of academic freedom.

Faculty members shall adhere to University policies and procedures for: class attendance, course scheduling, final examinations, course expectations and grading policies, development and distribution of course syllabi, availability for student conferences and advising, the timely submission of grades, and maintaining and retaining records of grades and all student products not returned to the students.

**ARTICLE VII**

**MEMBERSHIP LISTS**

The University shall provide the Association each semester during the academic year the following information according to the schedule set forth below: the name, home address and e-mail address, if reported to the University, of each bargaining unit member teaching that semester as set forth in Article I (Recognition Clause), the course(s) being taught that semester by each bargaining unit member; the payment for each course being taught; and the schedule for each course. This information will be provided to the Association President electronically

(1) Fall Semester: not later than November 15.
(2) Spring Semester: not later than March 15.
ARTICLE VIII
PERSONNEL FILES

Colleges shall maintain a personnel file for each PTF. All PTF are entitled to review his/her personnel file within one business day of a written request, during normal business hours. The PTF may respond to any documents that may be contained in the file, and may add to the file documents that pertain to his/her PTF employment at the University. The personnel file shall not contain any anonymous or unattributed materials, other than reports of the student evaluation of teaching instrument used at the University. The PTF is entitled to copies of any material maintained in the file.

ARTICLE IX
EVALUATION/DISCIPLINE

PERFORMANCE EVALUATION

The purpose of the PTF performance evaluation is to encourage the improvement of individual professional performance and to provide a rational basis for employment decisions.

The normal frequency of PTF performance evaluations shall be every two academic years from the date of inclusion in the bargaining unit. At least one evaluation must be conducted before a decision not to reappoint can be made.

The performance evaluation process shall include direct classroom observation of PTF by the department chair or in colleges that do not have department chairs, the dean's designee.

PTF are required to administer the current student evaluation of teaching instrument used at the University for every class section taught. These results will be used as one component in evaluating teaching effectiveness. Unofficial sources, such as on-line professor rating web sites, are not to be used in the evaluation process.

PTF shall be given a copy of their performance evaluation(s) within thirty (30) days of completion. All PTF performance evaluations must be completed and signed by the department chair or dean’s designee.

DISCIPLINE AND DISCHARGE

The union recognizes the authority of the University and the Board of Governors to suspend, dismiss or take other appropriate action against a part-time faculty member for just cause. Discipline shall be progressive and dismissal shall result from very serious and/or repeated incidents of misconduct. Dismissal shall be defined as the discharge of a part-time faculty member prior to or after the end of the limited appointment period.

A part-time faculty member shall receive a written statement of reasons for any disciplinary action no later than two (2) weeks after the end of classes for the semester in which the decision was made. If the part-time faculty member considers such disciplinary action to be improper, he/she may appeal the decision in accordance with the grievance procedure.
ARTICLE X
TIME IN SERVICE/ ASSIGNMENTS

Part-time faculty are hired and assigned courses based upon their qualifications including academic credentials, professional and life experience (including specialty credentials), and previous teaching experience.

At the University, PTF members who have taught satisfactorily shall have the expectation of being assigned courses according to availability, qualifications and time in service. Courses shall be assigned to part-time faculty by the department chair, with the approval of the Dean, in the following manner.

The department chair will consider PTF’s course sections request, available course offerings, qualifications, and satisfactory past performance as documented through the official procedures of this Agreement. In selecting among PTF meeting the qualifications to teach available course offerings, PTF with previous time in service shall be reappointed in order of decreasing time in service, beginning with the PTF possessing the most time in service until the available course offerings are exhausted.

Whenever possible, a minimum of two (2) months previous to the start of the Fall semester and by a minimum of two (2) months previous to the Spring semester, department chairpersons shall solicit course section requests from all PTF in said department for the semester in question. Such solicitation shall include a list of all course sections the department will staff with PTF (including course sections’ days, times, and locations) and shall be made in writing. PTF will be allowed ten (10) working days from the postmark date of said solicitation to respond in writing.

Whenever possible, PTF shall be notified of such assignments by a minimum of one (1) month previous to the start of the Fall and Spring semesters in writing. PTF will be allowed ten (10) working days from the postmark date of said offer to accept/reject all or part of the offer in writing. However, in many situations course sections are not finalized until the commencement of classes.

In cases where two or more part-time faculty members have taught the same number of courses, the part-time faculty member(s) with the earlier beginning date of first PT course taught shall be considered as having the higher time in service. Authorized leaves of absence shall not be deemed an interruption of service. In the event a PTF faculty member believes such data has been incorrectly determined, that PTF faculty member shall so advise the department chair, and indicate the Time in Service the part-time faculty member believes to be correct. For the purpose of establishing Time In Service prior to the Fall 1996/Spring 1997, the individual part-time faculty members shall have the burden of providing documentation showing prior part-time teaching service at the University. Accepted methods of such documentation for such verification through college records will include college course assignment contracts or copies of load credit hour forms, Student Evaluation of Teacher (SET) forms, or final grade sheets. In the absence of such college records, the issue will be resolved in a manner agreed upon by the parties.
CANCELLED ASSIGNMENTS

If the Administration determines during the week before classes begin that student enrollment is lower than the minimum number, the course may be offered to the PTF member according to the following pay scale. A part-time faculty member may decline the option of reduced compensation rate without prejudice.

<table>

</tbody>

The enrollment of the last day for adding courses shall determine the rate of pay for the course from that date to the end of the semester.

If it becomes necessary for a full-time faculty member to teach a course already assigned to a PTF, the department chair shall make a reasonable attempt to make such changes in PTF assignments according to the availability and time in service of the part-time faculty within the department and shall inform any PTF member affected by such changes of the reason for that change. Provided the PTF faculty member affected by the reassignment is not the least senior faculty member in the department, the department chair shall make a reasonable attempt to reassign the affected member. In such instances, the number of reassignments of the affected PTF member shall not exceed two (the person initially replaced by the full-time faculty member and one other PTF).

If circumstances warrant the assignment of courses to a PTF on less notice than that described above, the department chair shall make such assignments according to the availability and time in service of PTF within the department.

If the course assignment is cancelled at the end of the first week of class, the PTF shall be paid a stipend of two hundred and fifty ($250.00) dollars.

Part-time faculty who cover absences shall be compensated on a prorated basis for that portion of the semester they cover. If the period the part-time faculty covers is after the semester midterm and through the balance of the semester the PTF shall be compensated for the balance of the semester plus an additional ten percent of the PTF member’s regular contractual rate of pay.

Any part-time faculty member who loses a course assignment(s) within the timeframes set forth above shall receive credit for the course for the purposes of Bargaining Unit Status.
ARTICLE XI

3. The Department Chair shall review applications and evaluations.
4. Once part-time faculty members apply for advancement review, the review will take place and be completed within that semester.
5. Department chair forwards the recommendation to the Dean. The Dean shall make the final decision on advancement. The part-time faculty member shall receive a copy of each recommendation and the final decision.
6. For advancement under this Article, “course” shall be limited to courses of three (3) credits or more (including courses taught in summer sessions) and, in calculating the number of courses taught by the PTF member, there shall be no distinction between three or four-credit courses. (c) If, after a course assignment has been made a PTF is unable to teach due to illness, parental obligations, and military or for personal reasons, he or she may apply for a leave of absence. (d) PTF who are required to report to court in person in response to a jury duty summons, or who are required to report for jury examination of qualification or who are required to serve on a jury, shall receive their regular salary during these absences, less their jury pay.
ARTICLE XIII
GRIEVANCE AND ARBITRATION

GRIEVANCE PROCEDURE

13.1 For the purpose of this Agreement, the term "grievance" means any difference or dispute between the Board and the Association or between the Board and any employee with respect to the interpretation, application, or violation of any of the provisions of the Agreement. There shall be a grievance procedure as follows:

STEP 1 - Immediate Supervisor

A grievance shall be presented by the aggrieved to his/her immediate supervisor (department chair) within fifteen (15) working days, exclusive of Saturdays, Sundays, holidays, and days when classes are cancelled due to emergency conditions, after the employee knew or "should have known" of the act, event, and/or commencement of the condition which is the basis of the grievance. A copy of all grievances filed will be furnished by the Department Chair to the PTFU at the time of filing.

An aggrieved PTF and a PTFU representative shall meet with the Department Chair within fifteen (15) working days after filing the grievance. The Department Chair shall attempt to settle the grievance and render a written decision including reasons within ten (10) working days after the close of the meeting.

STEP 2 - Dean Level

If the grievance is not resolved in Step 1, it shall be submitted within five (5) working days of the immediate supervisor’s decision to the Dean or his/her designee, who shall grant a hearing to the aggrieved and a representative of the PTFU within ten (10) working days of the receipt of the written grievance. Within five (5) working days of the conclusion of the hearing, the grievant or the PTFU may present to the Dean a written statement or summary of the grievance arguments as part of the grievance record. A written decision including reasons shall be rendered within seven (7) working days of the conclusion of the hearing, or of receipt of such written statement.

STEP 3 - Presidential Level

If the grievance is not resolved in Step 2, it shall be submitted within five (5) working days of the Dean's decision to the President or his/her designee, who shall grant an informal hearing to the aggrieved and a representative of the PTFU within ten (10) working days of the receipt of the written grievance. The President or his/her designee shall render a written decision including reasons within ten (10) working days of the conclusion of the hearing.

STEP 4 - Commissioner's Level

If the grievance is not resolved in Step 3, it shall be submitted within five (5) working days of the President's decision to the Commissioner of Higher Education or his/her designee, as agent for
the Board of Governors, who shall grant a hearing to the aggrieved and a representative of the PTFU within ten (10) working days of the receipt of the written grievance. The Commissioner or his/her designee shall render written decision including reasons within ten (10) working days of the conclusion of the hearing.

13.1.1 The time limits specified herein shall be regarded as maximums and every effort shall be made to expedite the processing of grievances provided, however, that the parties may by mutual agreement in writing extend any time limitation specified herein.

13.1.2 Each grievance in writing shall contain a statement of the facts giving rise to the grievance and the relief requested.

13.1.3 Either party to this Agreement shall be permitted to call witnesses as part of the grievance procedure. The Board, on request, will produce payroll and other records, as necessary. Employee witnesses who are University employees and grievants will receive their regular rate of pay for time spent processing grievances, provided that time coincides with their regular work hours. Such time spent shall be subject to approval of the appropriate dean, which should not be unreasonably withheld.

13.1.4 Further, in a group grievance only one (1) of the grievants and the appropriate employee representative shall be in pay status, if applicable, as spokesperson for the group. Group grievances are defined as, and limited to, those grievances which cover more than one (1) employee within an employing unit and which involve like circumstances and facts for the grievance involved.

13.1.5 The Association representative shall have the right to assist the aggrieved at any step of the grievance procedure. Nothing contained herein deprives an individual employee of the right to process a grievance without Association representation. If such grievance is processed without Association representation, the aggrieved’s PTFU representative(s) or other PTFU representative shall be present at all meetings/hearings as stated elsewhere in this article, and the facts of said grievance will be furnished to the Association in writing.

13.1.6 It is also agreed that in all cases of dismissal or suspension the aggrieved and/or the PTFU may go immediately to Step 3 of the grievance procedure. It is further agreed that either party to this Agreement may submit a grievance to each other and proceed immediately to Step 3.

13.1.7 Decisions rendered shall be forwarded to the Association and to the aggrieved employee.

13.1.8 The aggrieved and/or the PTFU may withdraw the grievance at any time during the process.

13.1.9 Any grievances which are withdrawn by the PTFU or are settled by the parties shall not constitute or be used as precedents.

13.1.10 For the purposes of this Article, the following definitions shall apply:
a. "within a working day" shall mean prior to the end of the normal closing time of the working day following receipt of the grievance and shall be exclusive of weekends, vacations and holidays.

b. "aggrieved" shall mean either the employee and/or the Association.

**ARBITRATION**

**13.2** If a grievance is not settled under Article 13.1, such grievance shall, at the request of the PTFU or the Board, be referred to the American Arbitration Association in accordance with its rules then obtaining.

**13.3** The decision of the arbitrator shall be final and binding upon the parties. The expense of such arbitration shall be borne equally by the parties.

**13.4** Only grievances arising out of the provisions of this contract relating to the application or interpretation or violation thereof may be submitted to arbitration.

**13.5** All submissions to arbitration must be made within thirty (30) calendar days after the grievance procedure decision.

**ARTICLE XIV**

**ASSOCIATION LEAVE**
