Subject: PSA/Dining Comp Time Agreement

I would like to amend the PSA/Dining Comp Time agreement to reflect end of year and end of fiscal year dates. I have checked with Payroll and this would work to everyone's advantage. I am suggesting that the timeframe runs from the date of the last pay period ending the calendar year through the date of the last pay period in the fiscal year and then beginning again with the new fiscal year and ending with the calendar year. There are no specific dates because the pay periods fluctuate.

Thank you for your consideration of this matter.
