**Easter Seals**

**Program Description:** Easter Seals has been helping individuals with disabilities and special needs, and their families, live better lives for more than 80 years. Teams of therapists, teachers and other health professionals offer a variety of services to help people with disabilities address life’s challenges and achieve personal goals. Easter Seals also includes families as active members of any therapy program, and offers the support families need.

**Internship Opportunities:** Internships may be available at Easter Seals for students in Psychology, Human Development and Family Studies, Speech and Language Pathology, Occupational Therapy, Physical Therapy, Early Childhood Education, and Social Work. Opportunities are available for multilingual students in all majors as interpreters. Interns will have the opportunity to learn how Early Intervention Services are administered.

Depending on the goals and skill level of an individual EI intern, experiences and responsibilities may include, but are not limited to the following:

- Adherence to all human resources requirements including resume, interview process, reference checks, a criminal background check and any other required processes as needed.
- Work on Continued Quality Assurance (CQA) projects – assuring that the agency is meeting requirements for service delivery.
- Participate in children’s and parent’s groups (e.g. playground motor groups, language/socialization groups, parent support groups).
- Helping with evaluations, including observing evaluations as well as assisting with evaluation documentation.
- Attending staff meetings and trainings.
- Preparing parent information packets to be distributed to new clients.
- Some shadowing of EI providers on visits with clients, on a case by case basis, particularly in community settings rather than on home visits.
- Internships consisting of 16 hours per week or less would be ideal for this EI site.
- Students of junior status or higher are preferred.
