Community English Course Offered by the URI International Center!

This class is an opportunity for international graduate students, interns, scholars, and family members to meet others and practice English.

An experienced instructor will teach conversational English and American culture, as well as give support with living in, and being part of, the URI community.

This program supports the language and orientation needs of International Grad Students, Interns, Scholars, and Family. Content focuses on expanding awareness on American Culture as well as enhancing fluency in conversational English. This is done through pronunciation exercises, interactive dialogues, readings and fun activities.

We will also support ways for students to further enrich their lives, while at the URI campus, by participating in community services and events.
