Customize Site Favorites in Sakai

1. Log into Sakai (sakai.uri.edu).

2. Click on Sites the grid icon in the top right corner next to your Profile.

Locate the courses in Sites you wish to display in home screen tabs (courses listed by term).
3. Click the star next to each course you wish to add to favorites (star turns orange).

![Image of favorite courses]

This action populates the tabs with these favorite courses at top of your home screen.

**Organize the order in which the tabs appear**

1. To organize the tab order, click **Organize Favorites**

![Image of organizing favorites]

2. Put them in order by clicking the buttons on the right of the tab title and dragging into order.
