P.I.N.K. Women

Introduction:
Through a network of multicultural sisters on campus, values of academic excellence and higher education for all women via dedication and incorporation of the principles Academics, Community Service, Cultural Awareness, Morals & Ethics, and Social Interaction are put into daily use to better campus environment and attitude towards women of color.

Mission:
Recognizing responsibility to the progression of a positive global community, we stress the importance of morals, ethics, and education in our daily lives so that we serve the needs of our neighbors through a mutual respect and understanding of our varying cultures.
