Society of Hispanic Professional Engineers

**Introduction:**
The Society of Hispanic Professional Engineers (SHPE) is a student organization brought together by heritage, social responsibility and desire to improve the equality of all people through the use of science and technology. Excellence in education, professional pursuits and leadership is valued and obtained through integrity, empowerment, achievement, diversity and continuous improvement.

**Mission:**
SHPE is the leading social-technical organization whose primary function is to enhance and achieve the potential of Hispanics in engineering, math and science. We will fulfill our mission by increasing educational opportunities, promoting professional and personal growth, carry out our social responsibility to be involved in education, business and government issues and enhancing pride within our organization and reinforcing our reputation as a vital Hispanic organization.
