### Introduction:

Hillel at URI is the center for Jewish life on campus. With more than 1,000 Jewish students at URI, Hillel offers students the means to build Jewish community, while exploring, developing and celebrating their Jewish identity in a dynamic, fun and comfortable environment. Each year, Hillel connects students to their community, their peers and their traditions through an array of social, cultural, and community service programs. Non-Jewish students are welcome to participate.

### Mission:

Hillel enriches the lives of Jewish undergraduate and graduate students so that they may enrich the Jewish people and the world.
