eXposure - URI Multi-Cultural Dance Organization

Introduction:
We are eXposure of the University of Rhode Island. We are a hybrid between a dance group and organization, or our terms, family. We are dedicated individuals out to educate and help break the barriers between cultures through the use of music and dance, while still having fun. This is and will continue to be the focus and goal of eXposure.

Mission:
The purpose of eXposure is to act as the official representative body of the multi-culture student body at the University of Rhode Island. Promote culture here at The University Of Rhode Island through dance, music and events. To help educate and assist the University of Rhode Island community in diversity issues. To provide a "Safe haven" for everyone.
