**Day 1:** Travel to the famed New York City, fabled for its incredible energy, endless excitement, round-the-clock activities, cultural diversity, fantastic dining and American icons. Upon arrival we will enjoy time on our own at Hudson Eats at Brookfield Place. Choose from a collection of 14 chef-driven eateries. Then take advantage of the riverside promenade which offers spectacular views of the Hudson River. This afternoon we will visit the new 9/11 Memorial & Museum. View the Memorial's twin reflecting pools, each an acre in size sitting within the footprints where the Twin Towers once stood. We will also visit the Museum housing artifacts associated with the events of 9/11, and presenting stories of loss and recovery. Later, we will check into our host property, the Roosevelt Hotel. Experience the quintessential New York City hotel, where classic elegance meets contemporary luxury. The Roosevelt hotel impresses with its grand architecture and spectacular interiors beautifully restored to their original brilliance. For more than 90 years this hotel has been welcoming travelers from around the world to experience its historic grandeur. We have included dinner this evening before embarking on a guided tour of the Lower East Side Tenement Museum. Here we will split into two groups and tour the recreated apartments of this National Historic Landmark at 97 Orchard Street. Learn how immigrants lived and worked in New York City during the late 1800s and early 1900s in this five-story brick tenement building, home to over 7,000 immigrants from over 20 nations. Afterwards, we will sit down with a Tenement educator for a discussion of Your Story, Our Story. (D)

**Day 2:** Today we have a leisurely morning to do as we please. Check out the spectacular views of the City from atop of the Top of the Rock, pop in and watch a live broadcast of one of the morning shows, explore the amazing St. Patrick's Cathedral or simply roam around Time Square and take in all that this City has to offer. Later, we will experience the Core Exhibition about Jewish life before, during, and after the Holocaust at the Museum of Jewish Heritage. As a Gallery Educator guides us through the museum we will encounter personal stories and possessions that will facilitate experiences of the Holocaust and pay tribute to the Jewish Heritage. Lunch is on you own in the City before departing for home.
