Dear University Community,

The University of Rhode Island Student Senate would like to assure everyone that we remain committed to representing and maintaining an inclusive campus community for all students. The Senate believes in, and shall always stand by the University’s corner stones that:

- “We pursue knowledge with honesty, integrity and courage.
- We promote independent choice, intellectual curiosity, open-mindedness and free expression.
- We respect the rights and dignity of each individual and group. We reject prejudice and intolerance, and we work to understand differences.
- We accept personal responsibility for our actions and their consequences.
- We actively cooperate to improve the University, the state of Rhode Island, and the global community beyond our borders.
- We strive to be a community where the environment and property are treated respectfully.
- We seek to create and maintain an environment conducive to personal health and wellness.
- We work to develop skills which promote lifelong learning, leadership and service.”

As the representative voice of the student body, we will continue to hear your voices and work together to cultivate and promote a safe and inclusive environment where all students can learn, explore, and love. We would like to thank all members of the community who exemplify these values in order to build a better tomorrow here at the University of Rhode Island.

If you ever want to partner with or voice your opinions, ideas or concerns, you can reach the Student Senate in the Memorial Union (Room 201), online at http://web.uri.edu/studentsenate/, or contact us directly at 401.874.2261 / info@rhodysenate.org.
