ORIENTATION REGISTRATION INSTRUCTIONS for Talent Development Program Students

What do I need to complete my registration?
You will need your 9 digit URI ID# from your admission letter.

Where do I go to register for Orientation?
Visit http://uri.edu/newstudent/orientation and click on the “Register” icon to register yourself and your family, if they wish to attend. Please note: The online orientation program is NOT directly linked to eCampus. You will be directed to create an account. You will need your student ID and should register using an email address that you check regularly.

What are my date options for Orientation?
You have 3 options and must choose 1 from the list below:
- June 6-7
- June 9-10
- June 13-14

Math Placement
Some TD students may take online and proctored placements prior to Orientation.

You will stay on-campus overnight in a residence hall during orientation, so make plans accordingly.
The deadline to register for Orientation is Friday, May 13, 2016. Registration occurs on a “first-come, first-served” basis, so be sure to register early.

Can my family come with me to Orientation?
We have a separate family orientation program that your family is most welcome to attend. The family orientation program occurs at the same time as your orientation, but is separate from your experience. It is a wonderful opportunity for your family to get to know URI. More information can be found at http://uri.edu/newstudent/orientation. The cost of the program is $35 per person. Please note that Talent Development does not cover the cost of Family Orientation. If attending, family members should be registered at the same time you complete your orientation registration.

What if I need to make changes to my registration for Orientation?
If you would like to:
- Add an additional family member
- Add early arrival
- Change your scheduled session date
You can simply revisit http://uri.edu/newstudent/orientation and click “Register.” This will take you back to the registration page where you can log back into the program (using the same email address & password that you used when initially registering) and make any changes.
Please note: Orientation sessions will close to changes 2 business days prior to the session beginning. If you need to request a change after this time, please call us at 401-874-5927. We are able to make changes on a space available basis.

What if I decide not to attend URI?
You should notify the Talent Development program at 401-874-2901.
