THE SMILE PROGRAM

Science & Math Investigative Learning Experiences

Inspiring Future Transportation Professionals
In its 19th year, SMILE is a science, technology, engineering, and math (STEM) after-school program for underrepresented students in grades 4-12.

- SMILE is in 19 schools in 6 school districts (Central Falls, North Kingstown, Pawtucket, South Kingstown, West Warwick, Woonsocket)
- One club (20 students) costs $9,000
- High school graduation rate is 97-100%; 70% major in STEM subjects in college
- Funding sources: corporations, foundations, URITC (RIDOT, USDOT), individuals

Your contribution will support SMILE in existing schools and enable the program to expand to additional schools.
