Trail Head

Historic Trail
A self guided walking tour of five historic sites located within the W. Alton Jones Campus. This trail is marked and runs through easy terrain. It is about one mile long and can be completed in 45 minutes or less.

Sunrise Trail
This trail takes approximately 15 minutes to hike to the top. When you arrive at the end of the trail you can relax on the wooden bench and enjoy panoramic views of our 2,300 acres of forests.

Dolman Trail
This special trail has a distinct destination. The Dolman is a large rock that is supported by three little rocks. Many guests hike the trail and take their photo standing on the Dolman as a keepsake of their hike.

Accessibility note:
The Spruce Lodge does not have a handicapped accessible bathroom. The Nettles Lodge is not handicapped accessible.
