Join us August 1st at the University of Rhode Island Bay Campus for an extraordinary educational opportunity to learn about the fields of environmental science, biology, chemistry, geology, physics from actual research scientists!! We will have 2 tracks of programming, one for younger youth age 5-7 and one for youth age 8-18. Youth age 8-18 will be further divided by age, so that each workshop can be age appropriate. At the conclusion of the 4-H program you and your parents can go to the secluded beach right down the hill from the Bay Campus.

Workshops (age 5-7)
- Narragansett Bay Classroom
- Ocean Ecology
- Ocean Crafts
- Food and Fitness

Workshops (ages 8-18)
- Marine Geology Lab
- RI Shellfish Program
- URI Nuclear Science
- URI Research Aquarium
