URI Kingston

Details
4-Hers are invited!
Register at uri.edu/4h
Limit of 12 in each session.
Bring your own camera or smart
phone, or you can use one of ours.
Dress for the weather, we may go outside.
Bring a great attitude and be ready to learn!

Portraits - 9-10:30am
Are you the family photographer? Or want to be that photographer? Or perhaps you want to capture the perfect selfie? Join photographer Barbara Connors to learn about light and how to make your photographs pop! After a lesson on natural lighting, practice taking portraits of others in the class. Wrap up choosing your favorite image and sharing it with the group.

Landscapes - 11-12:30pm
Do you enjoy being outside? Do you ever stop and notice how beautiful our world is? Do you ever feel like you want to keep that in your memory? Explore landscape photography. Get a short lesson on how to use your camera, some tips on landscape photography, then step outside to practice your new skills. End the session by picking out your favorite image and sharing it with the group!

Story Telling 1-2:30
Life is a story. Perhaps you’ve heard of the phrase a photograph tells 1,000 words? Learn how you can use your camera to become a visual storyteller. We will have a fun activity set up so you can use your new skills to practice. Wrap up choosing your favorite images that tell a story and share it!

Our Presenter
Barbara Connors is a family portrait photographer and visual story teller. She graduated from Rochester Institute of Technology with a degree in Photojournalism, has photographed around the world and owns a photography business in western Massachusetts. She is also a 4-H alum who participated in the 4-H Photo Fine Arts Fair for many years and was also very active showing beef cows.
