

4-H Project Day

August 26th, 2017

*4-H Eco-adventure with the Wood-Pawcatuck
Watershed Association on beautiful Wood River.*

4-Hers will learn kayaking safety before embarking on a guided journey up the Wood River to learn about the watershed, marsh, wildlife, plants and invertebrates that make up the watershed ecology. Each youth will be in a kayak, so this activity is best suited to those 9 and up. We will be able to take up to 4 under 9 in each session though!

There will be 2 sessions: 9-11:30am and Noon-2:30. When registering please indicate your first choice of sessions.

PRE-REGISTRATION REQUIRED and space is limited!!! It will be first come first serve, until all slots are full. The cost is \$5 per 4-Her to reserve a spot and must be paid online at the time of registration.

Register by going to: <https://goo.gl/forms/I5CaQa3WWnX2IWGs1>

You will receive a confirmation that says which session you are confirmed for.
