- **LABEL:** Attach to the **back** of every piece of art: Youth first name, age, unique title of piece (do not name 2 photos the same thing). Please make sure this information matches the pre-registration so that we can put the correct ribbon on each piece!
- **DISPLAY:** Matte or Frame 2D art. Art must be freestanding, or you must supply an easel that will safely support it. No additional decorations can be used with the art pieces or stands.
- **JUDGING & PRIZES:** Judging will be at URI and the Mall. Ribbons will be in place at 8pm Friday night and on display all weekend. Youth age 5-7 will be awarded green participation awards. Blue, Red and White awards will be given to each work. Best of Show rosettes will also be awarded at the judge's discretion. By entering the artwork in this fair, you agree to let the RI 4-H Club Foundation and the URI 4-H Program use a reproduction of your artwork in promotion or fundraising efforts.
- **HOSTING: PLEASE HELP!** We need families to help us watch the exhibit. We have had items broken in the past, which is unfortunate. Having an adult and family at the table reduces the chances of damage and it allows us to answer questions about 4-H for the public. Participants are responsible for their items and all materials in their display. Sign up is on the registration and the Sunday afternoon spots usually go first. We make every effort to make sure that the same family is not asked if they hosted last year and to make sure that any one club does not have to do it all. We will confirm your scheduled time with you. Please note that we keep track of who has watched in the past and schedule 2 per time slot.

What should I do?

- It's easy, you tell people about your experience with 4-H, answer questions, hand out 4-H contact info to those who ask for it.
- Help people vote for the "Viewer's Choice Award", extra ballots are below the table.
- No food or drink at the registration table (per Warwick Mall)
- If someone does not show up (or you are the last shift), put all the materials on the registration table under the table. If you are the first shift to arrive and no one is there, any materials should be under the table. If you have a problem, contact the mall security personal near near Newport Creamery.
