

University of Rhode Island 4-H

Statue of Liberty Summer Family Field Trip

JULY 15th, 2025 | 7am-9pm

RI 4-H families are invited to join us on an adventure! We will be visiting the Statue of Liberty in New York. There are [multiple lessons to be learned](#) at this National Monument, including history of National Parks, conservation, oxidation of metals, symbolism, American history as well as it's a great outdoor recreation opportunity.

Coach bus (A/C + bathroom), ferry, museum and pedestal (not crown) admission included. Meals not included. [Register online here](#) and pay the nonrefundable fee of \$20/family.

The actual cost of this trip is \$100/person. However, the RI 4-H Club Foundation is subsidizing every participant, so that families will only pay \$20 total for their family!

Registrations will be taken in the order in which they are received and payment completed through the Foundation website. We will keep a waiting list, so register ASAP!

READ BEFORE YOU REGISTER

CANCELLATION OR NO SHOW POLICY FOR THIS TRIP

All \$20 deposits are nonrefundable. If you cancel after June 30th at 9am without a valid emergency (ex: accident, medical emergency, death of immediate family member...), you will be invoiced \$100 (per participant) in addition to the \$20 nonrefundable fee.

Why?

The no-show rate at recent 4-H events has exceeded 20%. This negatively affects our programs, takes opportunities away from other youth and undermines our efforts to keep programs affordable for all. So please DO NOT register unless you have checked your calendars and are sure that you will commit to attending this trip.
