GENERAL INFORMATION
Eligible adult learners can be considered for admission under performance-based admission (PBA). PBA is available to applicants with no, or limited, prior college attendance whose last formal, full-time educational experience occurred at least three years ago, and who have graduated from high school or earned a general equivalency diploma (A GED typically completed in high school).

Admission to the University does not guarantee admission to a particular college or major. Many majors at URI have restrictions and/or special requirements for transfer admission. For more information: uri.edu/admission/transfer/by-major.

CONDITIONAL ADMISSION
As a performance-based admission student, you will be admitted to the University College for Academic Success (UCAS). We want you to maintain close communication with a team of professionals and your PBA academic advisor.

You will follow a detailed academic plan for your first 15 probationary credits and will need to maintain a 2.0 grade point average.

You will be required to complete UCS/SPC 305 Learning and Career Principles for Adult Students, a course designed specifically for PBA/Adult Learners. This mandatory course will not only lay the groundwork for your successful transition to URI, but will also help you create a lasting network of peers, faculty, and staff.

Additional coursework will be determined by your academic advisor. Each semester your academic achievement will be reviewed by a UCAS advisor until you reach 15 credits. Once you have successfully completed the probationary requirements, you will automatically be eligible to start degree programs.
