How to Apply if I am...

An International FIRST-YEAR applicant to the 6-year Pharm.D. program

Step 1: Complete Common Application, application fee: $65 US by credit card (online only), cheque, or money order.
  • Visit the URI admission website http://web.uri.edu/admission/.
  • Select “Apply to URI” in the left menu of the webpage.
  • Select Common Application

Step 2: Submit secondary school documents including results and certificates of completion from national secondary school examinations (if applicable).
  • Scans/copies of original academic documents are accepted for admission purposes.
  • Official academic documents must be presented to the Office of Undergraduate Admission at the time of enrollment.

Step 3: Submit official translations of secondary school documents.

Step 4: Submit TOEFL/IELTS scores. You may submit a copy of your official scores and URI will verify with the testing agency.
  
  MINIMUM TOEFL SCORE IS 100, IELTS 7.0*

Step 5: Submit SAT and/or ACT scores (optional but recommended).

Step 6: Submit two letters of recommendation. One letter must be from a science or math instructor (you may submit this online with your Common Application).

Step 7: Submit an additional statement explaining your interest in studying pharmacy.

Step 8: If you pursued a “gap year,” please include a brief paragraph explaining your activities during this period.

Step 9: Submit required I-20 documentation including passport copy, financial statement, and preferred mailing address.

*Applicants who have attended a secondary school or post-secondary school where the language of instruction is English may be exempt from submitting an English proficiency examination depending upon their English grades (AP, IB, O level, A-level, GCSE, American Curriculum) and their SAT and/or ACT scores (if submitted).
