PERFORMANCE-BASED ADMISSION (PBA)

GENERAL INFORMATION
Eligible adult learners can be considered for admission under performance-based admission (PBA). PBA is available to applicants with no, or limited, prior college attendance whose last formal, full-time educational experience occurred at least three years ago, and who have graduated from high school or earned a general equivalency diploma (A GED typically completed in high school).

Admission to the University does not guarantee admission to a particular college or major. Many majors at URI have restrictions and/or special requirements for transfer admission. For more information: uri.edu/admission/transfer/by-major.

APPLICATION DEADLINES

Spring admission—Jan 15.
Fall admission—Aug 25.

Transcripts are due no later than 10 days after the application deadline.

Please note the Office of Admission does not evaluate credit. Credit evaluations are completed by the academic colleges within 21 days of acceptance.

APPLICATION PROCESS

Please submit the following:

- Common Application with $65 fee.*
- Official high school transcript unless you have an associate or bachelor’s degree with coursework similar in content to what is offered at URI.
- If applicable, official electronic or official printed transcripts from all post-secondary institutions attended, regardless of whether you desire or expect to receive credit for such work. Electronic transcripts should be emailed to transferadmission@uri.edu.
- Resume or CV
- Letter of recommendation

Please note that an interview is required for PBA applicants.

* Common Application school forms are not required

CONDITIONAL ADMISSION

As a performance-based admission student, you will be admitted to the University College for Academic Success (UCAS). We want you to maintain close communication with a team of professionals and your PBA academic advisor.

You will follow a detailed academic plan for your first 15 probationary credits and will need to maintain a 2.0 grade point average.

You will be required to complete UCS 305/SPC 305, a course designed specifically for PBA/Adult Learners. This mandatory course will not only lay the groundwork for your successful transition to URI, but will also help you create a lasting network of like-minded peers, faculty, and staff.

Additional coursework will be determined by your academic advisor. Each semester your academic achievement will be reviewed by a UCAS advisor until you reach 15 credits. Once you have successfully completed the probationary requirements, you will automatically be eligible to start degree programs.
