\* GPA and SAT ranges represent the middle 50% of all admitted students.

## → URI will remain test optional for the 2023-2024 admission cycle.

## Land Acknowledgment

The University of Rhode Island occupies the traditional stomping ground of the Narragansett Nation and the Niantic People. We honor and respect the enduring and continuing relationship between the Indigenous people and this land by teaching and learning more about their history and present-day communities, and by becoming stewards of the land we, now too, inhabit.
