

THE UNIVERSITY OF RHODE ISLAND

An aerial photograph of the University of Rhode Island campus. The image shows a mix of historic and modern buildings, including a large red brick building with a blue roof on the left and a modern glass-walled building on the right. The campus is heavily wooded with green trees, and a large green lawn is visible in the foreground. In the background, a body of water (Narragansett Bay) is visible under a clear blue sky.

ANYTHING IS
POSSIBLE HERE.
THINK BIG. WE DO.

\$1+BILLION

OUR CAMPUS
MAKES PEOPLE HAPPY.
You can think here.
You can do your best work here.
You can be yourself here.

SUPPORT FROM DAY ONE

It's the beginning of your big adventure, and we've dedicated the resources you'll need to discover your best self. Best classes. Best friends. Best fit. At URI, you'll be welcomed, supported, and challenged through our University College for Academic Success, home to all new students.

uri.edu/ucas

175+ resident advisors and resident academic mentors

CAMPUS RESOURCES:

- Resident advisors
 - Academic advisors
 - URI 101 peer mentors
 - Tutoring services
 - Career specialists
 - Health and wellness services
 - Counseling services
 - Gender and Sexuality Center
 - Multicultural Student Services Center
 - Women's Center
 - Disability, Access, and Inclusion
 - Faith-based centers
- and more: uri.edu/support

73% of our classes have fewer than 30 students.

YOU'LL FIND YOUR PLACE, YOUR PEOPLE, YOUR RAMFAM.

Most first-year campus residents live in Living and Learning Communities (LLCs), surrounded by friends with similar academic interests. Sharing classes and living together will help you make connections socially and academically.

Living “down the line” in nearby beach houses and other rental properties is a popular option for many upper-level students.

uri.edu/housing

95%

YOUR RHODY LIFE

Our beautiful campus offers four seasons of fun, with countless opportunities to play and make memories. What will your Rhody life look like?

uri.edu/campus-life

WHAT'S ON THE MENU? ANYTHING YOU WANT!

You'll love the variety of delicious, regional produce, dairy, herbs, and seafood we offer. There's even an organic hydroponic garden for fresh veggies all year long.

WHAT CAN I EAT?

Variety and convenience are key. Build-your-own meal options, homestyle serving stations, specialty deli options, sushi stops, cereal, salad, and dessert bars. You'll also enjoy culturally diverse menus, mobile ordering, and great to-go coffee and snacks. We buy the brands you buy and also ensure delicious fresh fare is part of our standard menu.

SUSTAINABLE AND FRESH: EAT LOCAL AT URI.

We partner with local and regional vendors, farmers, and fishers to serve fresh, sustainably sourced food whenever possible, and our on-site Hydroponics Indoor Grow System ensures our own greens and fresh herbs are harvested daily.

DIETARY RESTRICTIONS? WE'VE GOT YOU COVERED.

Vegan, vegetarian, and gluten-free options are available daily. Students also have direct access to a dedicated nutritionist for help managing food allergies/sensitivities, religious-based needs, and general questions. Our Net Nutrition interactive tool allows online viewing of nutritional info for our menu items.

YOUR MEAL PLAN

You can choose from two types of meal plans at URI: campus and flex. Campus plans include unlimited access to our two dining halls (Mainfare and Butterfield) plus an allowance of Dining Dollars that can be spent at all types of campus dining venues. Flex plans come with a set balance of Dining Dollars and flex swipes, which you can budget as you like.

Your Ram Account can also be loaded with funds, but it's not just for food. You can use it all around campus and with dozens of off-campus vendors, too.

WE HIRE LOCAL CHEFS WHO
COOK FROM THE HEART AND
TREAT STUDENTS LIKE FAMILY.

uri.edu/dining

100%
of our cooking oil is
recycled into biofuel.

WHERE CAN I EAT?

- Mainfare
- Butterfield
- Ram's Den
- PizzaXpress@RhodyMarket
- Brookside Bistro
- Sushi@UnionSquare
- Daily Grind
- Junius 'Babe' Gertz Cafe
- The Corner Store
- Rhody EatZ Food Truck
- Rhody Sweets Special Delivery Service

YOU'LL HAVE MAJOR CHOICES.

Double majors, interdisciplinary minors, in-depth Honors classes, and world-renowned international programs offer options as unique as you are. You'll graduate ready to pursue your big idea.

uri.edu/academics

Big thinking takes vision. Our \$150 million engineering complex is a hub of innovation for interdisciplinary scholars, experts, and researchers. At URI, your big ideas can lead to revolutionary solutions.

COLLEGE OF NURSING

Research opportunities, simulation labs, faculty-led service trips abroad, and personalized clinical placements provide an unparalleled nursing education.

You'll receive the individual attention of a smaller university and the unique clinical experiences of a larger institution with opportunities for interdisciplinary work in the fields of engineering, psychology, business, nutrition, and others. You'll work with expert faculty renowned for their innovative research and their excellence in primary care, community service, and workforce development.

uri.edu/nursing

COLLEGE OF BUSINESS

Prepare for the new world of business by broadening your perspective and your skill set at URI. Share real-world business knowledge and critical research inside and outside the classroom, including a wide range of opportunities through internships, program-focused student organizations, lectures, faculty mentors, and study-abroad programs.

The URI College of Business is celebrating its centennial in 2023. We are excited to honor our past, celebrate our present, and build our future.

uri.edu/business

COLLEGE OF ARTS AND SCIENCES

We offer a robust liberal arts education that includes the resources and faculty expertise of a global research university.

Gain a competitive edge by double majoring/adding minor(s), choosing an international focus, designing an internship, starting a creative business, or joining a research project. The opportunities are endless.

uri.edu/artsci

HARRINGTON SCHOOL OF COMMUNICATION AND MEDIA

Access hands-on opportunities, work with leading professionals, train with cutting-edge technology, and gain the skills to launch your career in the rapidly evolving world of communication and media. Whether you see yourself in the world of multimedia journalism, corporate communications, film production, or sports media, the Harrington School will give you the knowledge, skills, and experiences you need to excel in your field.

uri.edu/harrington

INTERNATIONAL ENGINEERING PROGRAM (IEP)

Combine a Bachelor of Science degree in one of our eight engineering disciplines with a Bachelor of Arts degree in Chinese, French, German, Italian, Spanish, or global language and area studies with a concentration in Japanese. Immerse yourself in a foreign language and culture by studying and interning abroad. This five-year program prepares you to be an engineer who can work collaboratively and efficiently on any international team.

uri.edu/iep

COLLEGE OF ENGINEERING

Study biomedical technology, alternative energy, cybersecurity, ocean engineering, and other specialties with leading scholars, experts, and active researchers in our state-of-the-art engineering complex.

Guided by faculty mentors, engineering students improve access to clean drinking water around the world, develop new sensor technologies for robots, discover biomedical technologies that identify and treat disease, and more. Join our research community that advances human potential—and believes in your potential to make your own mark.

uri.edu/engineering

COLLEGE OF THE ENVIRONMENT AND LIFE SCIENCES

Study wildlife conservation, environmental policy, agriculture, marine biology, and so much more. Work with world-class faculty in our high-tech classrooms, laboratories, and special genomic and aquarium facilities.

URI attracts students and faculty from all over the world. We're committed to creating an open-minded and culturally diverse community. Join us to help develop impactful solutions for today's global environmental challenges.

uri.edu/cels

COLLEGE OF PHARMACY

Using modern technologies, like patient simulation labs and 3D printing and animation, we prepare you for a successful career in the health-care, pharmaceutical, or consumer products industries.

Explore our six-year entry-level Doctor of Pharmacy (Pharm.D.) degree, four-year Bachelor of Science degree, and graduate programs. We also offer joint degrees in Pharm.D./M.B.A., Pharm.D./M.S., and an International Pharmaceutical Program.

uri.edu/pharmacy

ALAN SHAWN FEINSTEIN COLLEGE OF EDUCATION

Work with award-winning faculty to learn, teach, and lead in diverse, collaborative settings using innovative instructional technologies.

Prepare for educating the next generation while learning from industry experts and leaders. Hands-on learning and practicums will expose you to diverse populations and settings. You will graduate feeling confident in your education and your ability to change the future of education and leadership.

uri.edu/education

COLLEGE OF HEALTH SCIENCES

Combine disciplines to fit your interests and career goals with clinical and nonclinical majors in communicative disorders, health, human development and family science, kinesiology, nutrition, dietetics, clinical neuroscience, and psychology.

Careers in health and wellness are among the fastest-growing occupations worldwide. The need for well-prepared, broadly skilled professionals has never been greater. You can make a positive and lasting impact on the health and well-being of people of all ages, adding years to their lives and life to their years.

uri.edu/chs

GRADUATE SCHOOL OF OCEANOGRAPHY

Interested in researching and exploring the world's oceans and coasts? We offer a Fifth-Year Master of Oceanography program with a global reputation for excellence.

The program, located on our Narragansett Bay Campus, features classroom, field, and ship-based research coupled with laboratory work and modeling. We provide a comprehensive approach to studying coastal waters and oceans throughout the world.

uri.edu/gso

SAVE TIME AND MONEY WITH OUR 4+1 PROGRAMS

FAST-TRACK YOUR CAREER

Are you ready to take the lead and dive into your studies? When you choose a URI accelerated bachelor's to master's (ABM) program, you can earn two degrees in just five years while focusing on research, internships, scholarship opportunities, and real-world experience. We offer ABM degrees in 21 majors ranging from biomedical engineering to human development and family science.

EXCEL

Our Honors Colloquium attracts some of the biggest thinkers in the world, like Jane Goodall.

800+ students are enrolled in Honors courses.

FAST-FORWARD

Our accelerated bachelor's to master's (ABM) programs allow you to earn both degrees in just five years, by applying some upper-level undergraduate credits to your graduate degree.

PREPARE FOR YOUR BEST FUTURE.

LEAD

Our leadership studies minor is customized for you. All students in this minor participate in internships.

CBS Mornings feature host and CBS NewsStreaming Network anchor Vladimir Duthiers '91

CREATE

Whether you are creating wearable tech in our Artificial Intelligence Lab or works of art in our studios, we will supply all the resources you'll need for creative expression and innovation.

GRADUATE EARLY

URI is credit-friendly and accepts AP, IB, EEP and other forms of college credit enabling 200+ students to graduate early each year. More than 30% of URI first-year students enroll with some college credit earned while in high school.

Pictured here at Narragansett Town Beach, accounting major and soccer player Laila Rosenthal '23 worked with URI's Launch Lab to create a thriving, environmentally conscious clothing business.

 uri.edu/rosenthal

AN OCEAN STATE OF MIND

It helps to be located near Narragansett Bay. It's an endless resource for teaching, research, study, and discovery. It's inspiration, beauty, and a whole lot of fun. And at URI, it's your backyard.

YOU'LL DISCOVER NEW WAYS OF LOOKING AT THE WORLD.

It's an interconnected world, and we'll get you ready for it. Languages, research, service, studying abroad—we offer it all.

GLOBALIZE YOUR PERSPECTIVE

Want to study fashion merchandising in Paris, work with environmental scientists in Indonesia, or perfect your German in Munich while interning at BMW? We'll get you there. From Senegal to Switzerland, you can choose from a vast array of study-abroad programs to immerse yourself in another culture for a year, a semester, or over January break (Winter J-Term). At URI, you'll make friends from around the world and join a global-minded campus community, too.

GLOBALIZE YOUR DEGREE

With our signature programs, you can pursue a double major abroad while gaining hands-on professional experience through an international internship. Develop cross-cultural communication skills and practical job training to truly globalize your college degree.

- International Business
- International Computer Science
- International Engineering
- Chinese Flagship
- International Textiles, Fashion Merchandising and Design
- International Pharmaceutical Sciences
- International Studies and Diplomacy

CAREER AND COMMUNITY

Whether it's landing an internship that lights your path or supporting a cause that lights your fire, we give you space to explore. We prepare you to succeed in ways that are as unique as you are.

Erik Robles '22, a philosophy major, is pictured on set at the Sandra Feinstein-Gamm Theatre in Warwick, R.I., where he completed a 10-month fellowship as a URI undergraduate before going on to attend the David Geffen School of Drama at Yale.

 uri.edu/robles

Our Harrington School of Communication and Media students get practical, hands-on experience that prepares them to thrive in today's rapidly evolving, global communication and media landscape.

employers attended one
or more career fairs on
URI's campus this year.

HONORS COMMUNITY

URI Honors scholars are engaged learners who are passionate about contributing to positive change and sustainable solutions within our communities and throughout the world.

uri.edu/honors

IMMERSE YOURSELF

Our Inner Space Center (ISC), a one-of-a-kind research facility, offers a front seat to the inner workings of underwater exploration and education projects worldwide. Learn more about how the ISC interdisciplinary team provides scientists with real-time video and data from oceanographic expeditions.

 uri.edu/inner-space-center

International Engineering Program graduate Joellyn Speredelozzi '23 (Italian, biomedical engineering, biology) interned in Naples, Italy, focusing on clinical engineering and health technology management. Here she is hiking in the Italian Alps in the Dolomites, near Cortina d'Ampezzo.

Researching
today to solve
the problems
of tomorrow

Whether it's across the physical and natural sciences, the health professions, or the humanities and arts, you'll partner with world-class faculty to bring ideas to life. You'll be part of a community of dedicated educators and engineers, scientists and scholars, artists and mentors.

You'll be part
of something
BIG.

uri.edu/students-in-research

WHERE WILL YOUR DEGREE TAKE YOU?

COMPETE ON ANY LEVEL.

We are proud of our 18 NCAA Division I varsity teams, 20 competitive club teams, and 26 intramural sports offerings. With options at every level, you can compete, play for fun, and join your fellow Ram fans in cheering on your favorite team. Go Rams!

uri.edu/campusrec

GoRhody.com

WHAT DOES SUCCESS LOOK LIKE FOR YOU?

You'll define it. You'll achieve it. We'll show you how.

YOU'LL BE IN GOOD COMPANY.

uri.edu/castillo

"It's the mysteriousness of the ocean that captured my interest. We know more about the surface of the moon than we do about our own ocean right in our backyard."

—Dario Castillo '21, marine biology,
National Geographic STEM field assistant

uri.edu/hornung

"I use the knowledge acquired from my business degree to run my nonprofit, and the language skills developed from my German classes to help families across the globe."

—Alison Taylor Hornung '23, global business, German,
and human development and family science

uri.edu/fischer

"Everyone wants to do well here because we know what happens when we do well: We get this product out the door; we feed more kids. Hunger is solvable."

—Emily Fischer '20, industrial engineering B.S., M.B.A. '21

uri.edu/taman

"My journey really began at URI. It instilled confidence, and the qualities associated with hard work are going to make me successful no matter where I go."

—Mazen Taman '23, Doctor of Pharmacy, admitted to the
Warren Alpert Medical School of Brown University

Each year, URI offers the Thomas M. Ryan awards and the Alfred J. Verrecchia Business Scholars awards. These prestigious scholarships cover full tuition, fees, housing, dining, a book stipend, a travel course, and many more special opportunities.

140,000+

Our global alumni network continues to expand its reach and its impact.

With the support of our Office of National Fellowships and Academic Opportunities, our students and recent alumni have won or been finalists for Boren, Fulbright, Hollings, Marshall, Rhodes, and Truman scholarships.

uri.edu/alumni

FORBES
named URI
to its list of
America's Top
Colleges 2022.

MONEY MATTERS

We do our best to keep your college investment affordable. We award \$100M+ annually in undergraduate aid and scholarships, and about 81% of our students receive some financial aid.

Estimated costs for 2023–2024: uri.edu/tuition

ANNUAL TUITION AND FEES:

Rhode Island residents	\$16,408
Out-of-state residents	\$35,804
New England regional*	\$26,995
Housing and dining**	\$14,130

AVERAGE TOTALS:

(annual costs with housing and dining)

Rhode Island residents	\$30,538
Out-of-state/international	\$49,934
New England regional*	\$41,125

* The New England Board of Higher Education provides discounted tuition for a select group of majors (subject to change) to residents of New England states. Visit nebhe.org/tuitionbreak.

** Based on double room and standard meal plan.

FINANCIAL AID AND MERIT SCHOLARSHIPS

We recommend that all applicants apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA®).

We offer a wide range of merit scholarships (no separate application required). To be considered for our highest scholarships, we recommend that you apply by our Dec. 1 Early Action deadline. We also strongly recommend that students interested in business, engineering, music therapy, nursing, and pharmacy apply by Dec. 1, as spaces are limited in these programs.

Questions regarding provisions for students with disabilities should be directed to the director of Disability, Access, and Inclusion in the Office of Student Life, 330 Memorial Union, Kingston, R.I. 02881, 401.874.2098 (TTY via R.I. Relay 711); uri.edu/disability. URI is an equal opportunity employer committed to the principles of affirmative action.

APPLY TO URI.

Take the first step. If you want to find community and find yourself, work with the best, and graduate ready to make your mark on the world—we invite you to apply to the University of Rhode Island. Start your journey. We're ready to welcome and support you.

uri.edu/apply

2023 ADMITTED STUDENT PROFILE:

GPA and SAT ranges represent the middle 50% of all admitted students.

GPA: 3.2–4.1

SAT: 1130–1310 ACT: 28

Test-optional: The University of Rhode Island will remain test-optional for the 2023–2024 admission cycle.

29% of first-year applicants submitted test scores for consideration.

APPLICATION DEADLINES:

Early action/nonbinding:
Dec. 1, 2023

Regular application:
Feb. 1, 2024
