

College of Pharmacy - Pharm.D. Transfer Guide

TRANSFER APPLICATION DEADLINE: MARCH 1*

GENERAL ADMISSION REQUIREMENTS

All students must meet college-preparatory unit requirements (typically completed in high school):

- 4 in English.
- 3 in math (algebra I, algebra II, and plane geometry).
- 2 in science.
- 2 in history/social science.
- 2 units in the same foreign language.

TRANSFER STATUS

The College of Pharmacy requires a solid academic program of study with a strong background in math and science.

Admission to the Pharm.D. Program is extremely competitive.

TRANSFER CREDIT

Credits earned for courses such as culinary arts or applied technical sciences are not transferable. Credit is not granted for remedial or developmental coursework. Only courses with grades of "C" or better will be considered for transfer credit (grades of "C-" and below do not transfer).

Note: The Office of Admission does not evaluate credit. Credit evaluations are completed by the academic colleges within 21 days of acceptance.

TRANSFER SCHOLARSHIPS

No separate application is required for our merit-based scholarships, but all students who would like to be considered for any merit award must apply by published deadlines. Merit awards are not available to students who have already earned a bachelor's degree or are attending URI through discounted tuition programs (i.e., Joint Admission Agreement).

Pharm.D. Program

APPLICATION PROCESS

A completed application includes:

- Completed URI Transfer Application.
- \$65 application fee.
- Official electronic or official printed transcripts from all postsecondary institutions attended, regardless of whether you desire or expect to receive credit for such work. Electronic transcripts should be emailed to transferadmission@uri.edu.**
- Official high school transcript unless you have an associate or bachelor's degree with coursework similar in content to what is offered at URI.
- Personal statement explaining why you have chosen to pursue a career in Pharmacy.
- A formal interview.
- Work experience.
- Two letters of recommendation.
- A cumulative grade point average for all math and science courses.
- We do not require SAT or ACT scores for transfer students.
- Completion of academic requirements and prerequisite courses (listed on back) with a grade point average of at least 2.7 and no grade lower than a C-. (Courses completed outside of URI must be a C or higher to transfer). Note that completion of the academic requirements does not guarantee admission to the Pharm.D. program.***

* *Applications received after March 1 will be considered on a case-by-case basis.*

** *Transcripts are due no later than 10 days after the application deadline.*

*** *See back side of paper for CCRI classes and equivalent coursework at URI.*
