**Academic Enhancement Center:** The Academic Enhancement Center (AEC) offers face-to-face and online services to undergraduate students seeking academic support. Services are based out of Roosevelt Hall, the Carothers Library room LL004, and online. Peer tutoring is available for STEM & BUS-related courses through the Drop-In Center and small-group tutoring. The Writing Center peer consultants offer feedback focused on supporting undergraduate writers at any stage of a writing assignment. The UCS 160 course and one-to-one Academic Skills Consultations offer strategies for improving studying and test-taking skills. Complete details about each of these programs, up-to-date schedules, contact information, and self-service study resources are all available on the AEC website, uri.edu/aec.

- **STEM & BUS Tutoring** helps undergraduate students navigate a variety of 100 and 200 level STEM & BUS courses through free peer tutoring in-person and online. Students can select occasional or weekly tutoring sessions through the TracCloud system or visit the Drop-In Center, located in the Carothers Library lower level room LL004. The TracCloud application is available through URI Microsoft 365 single sign-on and more detailed information and instructions can be found at uri.edu/aec/tutoring.

- **Academic Skills Development** courses and programs teach students how to plan and apply time management and study strategies. UCS 160: Success in Higher Education is a one-credit course on strategic approaches to planning and studying. UCS 161: Becoming a Self Directed Student teaches strategies for taking greater control over their academic work and lives. Academic Consultations are 1 to 1 meetings that help individual students to address their academic challenges. Students can schedule in-person or online consultations with David Hayes on Starfish. **Study Your Way to Success** is a self-guided web portal connecting students to tips and strategies on studying and time management related topics. For information or help with scheduling, contact Dr. Hayes directly at davidhayes@uri.edu.

- **The Undergraduate Writing Center** provides peer writing support to students in any class, at any stage of writing: from understanding an assignment and brainstorming ideas, to developing, organizing, and revising a draft. Writing consultations are available through: 1) 25- or 50-minute in-person appointments, 2) synchronous online appointments, and 3) asynchronous written feedback.
