GENERAL USE IN UNDERGRADUATE COURSES

Academic Enhancement Center

The Academic Enhancement Center (AEC) offers face-to-face and online services to undergraduate students seeking academic support beginning Monday, January 31st, 2022. Services are based out of Roosevelt Hall, the Carothers Library room LL004, and online. Peer tutoring is available for STEM-related courses through drop-in centers and small-group tutoring. The Writing Center peer consultants offer feedback focused on supporting undergraduate writers at any stage of a writing assignment. The UCS 160 course and one-to-one Academic Skills Consultations offer strategies for improving studying and test-taking skills. Complete details about each of these programs, up-to-date schedules, contact information, and self-service study resources are all available on the AEC website, uri.edu/aec.

- **STEM Tutoring** helps undergraduate students navigate a variety of 100 and 200 level STEM courses and a limited selection of BUS, STA, ECN, and CSC courses. The STEM Tutoring program offers free online and in-person peer tutoring. Students can select occasional or weekly tutoring appointments through the TutorTrac system or visit the Drop-In Center, located in the Carothers Library lower level room LL004. The TutorTrac application is available through URI Microsoft 365 single sign-on and by visiting aec.uri.edu. More detailed information and instructions can be found at uri.edu/aec/tutoring.

- **Academic Skills Development** programs teach students how to manage time, study effectively, and address common academic challenges. UCS 160: Success in Higher Education is a one-credit course focused on developing strategic approaches to planning and studying. Academic Consultations are 1 to 1 meetings that help students to identify and address individual academic challenges. Students can schedule an in-person or online consultation with David Hayes on Starfish. Study Your Way to Success is a self-guided web portal connecting students to tips and strategies on studying and time management related topics. For information or help with scheduling, contact Dr. Hayes directly at davidhayes@uri.edu.

- **The Undergraduate Writing Center** provides peer writing support to students in any class, at any stage of the writing process: from understanding an assignment and brainstorming ideas, to developing, organizing, and revising a draft. Spring 2022 consultations are available through: 1) 25- or 50-minute in-person appointments, 2) synchronous online appointments, and 3) asynchronous next-day written feedback. Synchronous appointments hosted by WC Online are video-based, with audio, chat, document-sharing, and live captioning capabilities, to meet a range of accessibility needs.
