

Academic Enhancement Center (AEC): All Academic Enhancement Center support services for Fall 2026 begin on September 14th and are offered at no added cost to undergraduate students. Visit uri.edu/aec for more information about our programs described below. Appointments can be scheduled in the **AEC TutorTrac** app located in [Microsoft 365](https://microsoft.com/store/microsoft-365).

STEM & Business Tutoring

Get peer tutoring for many 100 and 200 level STEM, Business, Nursing, and Engineering courses. Choose weekly or occasional sessions through AEC TutorTrac or visit the Drop-In Center in Carothers Library LL004. [Learn more about tutoring](#)

Academic Coaching

Meet 1-on-1 with a peer academic coach to develop strategies related to studying, time management, goal setting, and more! Students can also reinforce accountability through weekly check-ins or body doubling (parallel work time alongside a coach). Schedule in AEC TutorTrac or visit AEC Lower Level reception in Roosevelt 20. [Learn more about academic coaching](#).

UCS 160 and UCS 161 are graded, 1 credit courses open to any undergraduate student who wants to improve their planning, studying, and other academic skills. Contact David Hayes (davidhayes@uri.edu) with any questions or to schedule a professional, 1-1-academic skills consultation. [Learn more about UCS 160 and 161](#)

The Writing & Speaking Studio

Strengthen your writing and public speaking for any course. Writing consultants assist with understanding assignments, generating ideas, and developing, organizing, and revising written work across disciplines. Speaking consultants help students prepare and practice presentations, speeches, and interviewing skills to build clarity, confidence, and effective delivery. Schedule in AEC TutorTrac or visit AEC Lower Level reception in Roosevelt 20. [Learn more about writing and speaking support](#) for more info.
