ACADEMIC ENHANCEMENT CENTER

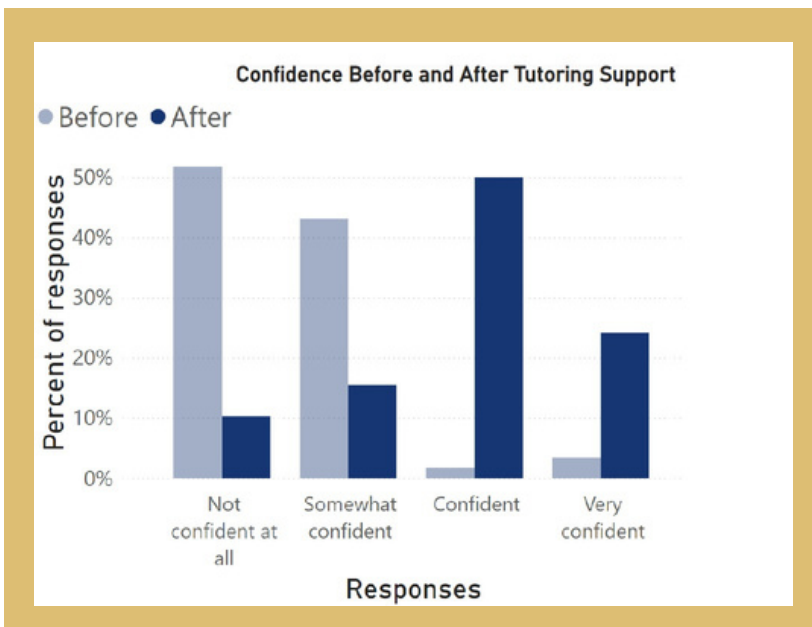

STEM & Business Tutoring  Academic Skills Development & Coaching  Undergraduate Writing Center

SUPPORTING SEED OF SUCCESS

This month CSV 302 academic skills coaches led by Coordinator Heather Price, delivered a workshop to CELS Seeds of Success students which focused on study strategies and time management. Workshop participants rated the workshop as 5 out of 5 and when asked what was most helpful, said, “definitely understanding time management better” and “talking it out and realizing I’m not the only one.” Academic skills coaches are available to consult 1-1 with students and can be scheduled via the [TracCloud application](#) in Microsoft 365.

AEC TUTORS BUILDING CONFIDENCE!

AEC STEM & Business tutors are significantly boosting students' confidence levels, often after just a single tutoring session. This positive impact is evident from the increase in confidence scores, from before to after the tutoring experience!

The AEC is currently recruiting tutors for the STEM & Business program and academic skills coaches for the CSV 302 course. For additional information visit the student employment page [linked here.](#)
