

Academic Enhancement Center

AEC support services for Summer 2026 begin on **May 18th, 2026**

Visit uri.edu/aec for information about our three AEC programs.

STEM & Business Tutoring

- Tutoring for Math and Chemistry courses only.
- Courses include: MTH 101-244 and CHM 103, 112, 124, 227.
- Online Drop-In hours will be posted on our website at uri.edu/aec/tutoring.
- Students will have access to the tutor's Zoom room through AEC TutorTrac. The TutorTrac application is available through [URI Microsoft 365](https://uri.microsoft.com) single sign-on and more detailed information and instructions can be found at uri.edu/aec/signing-up-for-tutoring.

Writing Center

- No peer to peer writing consultations available this summer.

Academic Skills Development

- Professional 1-1 Academic Skills Consultations with Dr. David Hayes
 - Individualized support is available with any aspect of planning, motivation, studying, and test taking skills development for any undergraduate course(s).
 - Help sessions can focus on strategies for current summer courses or upcoming fall courses.
 - Available in person or on Zoom by appointment; to schedule an appointment, contact Dr. David Hayes in the AEC at davidhayes@uri.edu or at (401) 874-2953.
- [Study Your Way to Success](#) self-guided academic skills development portal.
