

RI CLEAN ENERGY INTERNSHIP PROGRAM

SPRING 2024
APPLICATIONS FOR
SPRING 2024 DUE:
DECEMBER 15TH 2023

Are you:

- Currently looking for an intern?
- Involved in the clean energy industry?

The Rhode Island Clean Energy Internship Program, offered through the Renewable Energy Fund at Commerce RI and the Rhode Island Office of Energy Resources, is an internship program focused on increasing real world student learning opportunities in the clean energy sector. Applicants will be competitively selected to the best fit host company.

The RI Clean Energy Internship Program reimburses host companies for up to TWO interns at \$14/hour, at 40 hours/week for a 12-week period.
