## URI MBA APPLICATION PROCESS

### PART TIME MBA – FOR SUMMER 2024, FALL 2024 and SPRING 2025

### FULL TIME MBA- Applications accepted for FALL 2024 admission only

Go to the URI Graduate Admissions Application Website https://web.uri.edu/graduate-school/apply/ and click on **BusinessCAS**
Click on Ready to Apply and then it will take you to the next page where you will create a Username and Password

In the search bar, type in Rhode Island, which will bring up the Part Time and Full Time MBA options as you see below.
Click on the + sign on the left to add the program/semester you are applying for and hit continue.  (please note- even though the Part-time program is based in Providence/online, it lists Kingston as the campus since the College of Business is located in Kingston)
If you are unsure right now if you want part time or full time MBA, you can click on both and choose later which one to submit for.

Thank you for your interest in the Master's of Business Administration at the University of Rhode Island!

The Full Time MBA program is designed to be completed in one year and is primarily for people from non-business majors to develop and strengthen their business abilities and prepare them for careers in business. Our students come from extremely diverse backgrounds. This cohort program begins only in the Fall and runs through the following Summer. The non-thesis curriculum consists of 42 credits, with the possibility of waiving courses based on prior coursework. Classes meet during the day at the Kingston Campus, with some electives offered at our Feinstein Providence Campus and others taught online.

URI has many competitive advantages that help distinguish ourselves from other full-time MBA programs. Faculty are either researchers with international reputations in their topic areas or practitioners with often decades of relevant work experience. Class sizes are small, peaking at 35 for core courses and often much smaller enrollments for electives. This fosters a great sense of community for friendship and networking, and allows frequent personal interactions with faculty.

Each student can customize their elective options to fit their needs. Students can specialize in one of four areas, register for elective courses outside of the College of Business that fit their specific professional interests, or work in an internship for credits. Students benefit greatly from an immersive experiential learning consulting project with an actual company during the Spring term. Finally, students have access to a wide variety of career and networking opportunities during their program. All of these competitive advantages exist within the context of a one-year program, allowing students to get the highest-quality MBA education in half the time of many other programs.

**A competitive applicant will have the following:**

- Statement of purpose (why you are looking to enter the MBA program)

- Two letters of recommendation

- Current resume

- Unofficial college transcript(s) from an accredited institution in the United States OR the equivalent of a four-year degree at an international university. Official transcripts will be required after admission

- Official score report for the Graduate Management Admission Test (GMAT) or GRE taken within the last five years. The GMAT/GRE application requirement will be waived for candidates who meet one of the following criteria:

    - Graduated from URI (any major) with a minimum 3.30 overall GPA

    - Graduated from an AACSB accredited business program with a minimum 3.30 overall GPA

    - Have a minimum of five years full time work experience

    - Hold a Masters or Ph.D. degree (any discipline)

    - Hold significant professional certificates such as Certified Public Accountant (CPA), Certified, Financial Planner (CFP), Project Management Professional (PMP) and others.

    - Waivers will be considered on a case by case basis. Please contact Lisa Lancellotta at llancellotta@uri.edu with any questions.

- Residency Application or Certificate of Residency for in-state or qualified regional students.

For International applicant language requirements, please visit https://web.uri.edu/graduate-school/admission/international/

**Deadlines:**

- Fall - June 30

To account for the time in obtaining visas, international applicants are expected to apply for fall programs by February 1. After that date, you must contact the MBA office to proceed further in the application process.
