College of Business
FinTech Certificate

This 12-credit formalized certificate is designed to give business and non-business students an opportunity to supplement their major with knowledge and understanding of FinTech so they can pursue competitive professional and academic careers.

REQUIREMENTS FOR THE FINTECH CERTIFICATE ARE:

1. Undergraduate students must commit to the ***FinTech*** certificate the semester in which the student expects to complete 75 credit hours. Requirements are satisfied by completion of the 12 credits of related studies offered by the College of Business.
2. A minimum average of 2.0 must be earned in the 12 credits required for the minor.
3. At least 3 courses for the certificate must be earned at the University of Rhode Island.
4. Courses in the certificate may not be taken under the Pass/Fail option.
5. **Because business students must be accommodated first, approval of a certificate does not guarantee space in courses. Taking these courses in summer is strongly recommended.**
6. *If you have not completed all 12 required credits, include all courses taken/planned to take along with the respective semester.*
