Enrolled families, choosing to withdraw during the summer months and return in September, are required to make the payment for the month of September on June 1. Enrolled families, choosing to participate in the summer program, are required to make the payment for the month of September on August 1.

Tuition payments must be made through the URI College of Health Sciences payment portal. In this system, ACH bank payments can be made without any additional fee and a 2.75% fee is required for all credit card payments.
