A **self-sustaining, walkable ecosystem** where everything you need is within a 10-minute stroll

The **Anna Fascitelli Fitness & Wellness Center** is our primary recreational on-campus gym featuring state-of-the-art cardio machines, weight training areas, a spin studio, and a Wellness Resource Center.

The **Potter Building** houses our nationally-accredited Health Services and serves as comprehensive medical center that serves your mental, physical, and psychiatric needs with immunization services, pharmacy, X-ray, and laboratory facilities.

Located on the second floor of **Roosevelt Hall,** URI's nationally-accredited Counseling Center provides confidential, short-term mental health support and crisis intervention to URI students.

As URI's central community hub and student center, the **Memorial Union** is home to more then 120 student groups featuring the Rams Den food court, a game room, ballroom, and social and study lounges for campus events.
