2018 BIOWASTE PICKUP SCHEDULE

Please review the packaging instructions in the Managing Biohazardous Waste SOP, Appendix H of the University’s biosafety manual: https://web.uri.edu/research/develop/Office-of-research-integrity/biosafety-committee/biosafety-resources-and-quick-links/

Pickups are scheduled every other Tuesday. The dates with the Biohazard symbols below are the days for Biowaste Pickups.

Call 874-7019 to schedule a pickup at a minimum 24 hrs in advance, longer if you are at the Bay Campus. Have boxes sealed and ready by 9:30 am the morning of pickup (no earlier) at the designated pickup site.

NOTE: Pharmacy is the only scheduled stop so if you are in Pharmacy, you do not need to call.
