How to Access Chemwatch:

**Instructions:**

1) Go to [jr.chemwatch.net](jr.chemwatch.net) login page
2) In the “domain” field type “uri”. Then press TAB then press the "CLICK HERE" button. See below:

3) You may be redirected to your URI’s Single Sign On Page to access Chemwatch. If you’ve previously clicked on “keep me signed in” you will be directly sent to Chemwatch’s dashboard.

4) Please note that once logged into URI’s Single Sign On, you may need to click on “all apps” on the left banner to see the Chemwatch icon if you are not taken directly to Chemwatch’s dashboard.
