Tel: 401-874-7019

Fax: 401-874-9069

Review the **Managing Biohazardous Waste SOP, Appendix H** of the University's biosafety manual, as there have been some changes: <https://web.uri.edu/researchcondev/Office-of-research-integrity/biosafety-committee/biosafety-resources-and-quick-links/>

Pickups are scheduled every other Wednesday. Dates with Biohazard symbols below are the days for Biowaste Pickups. **Please use our new Biohazardous Waste Pickup Request form** which is available at: <https://web.uri.edu/ehs/biohazardous-waste-pickup-request-form/> Submit the online form by noon on Friday before the pickup. EHS may contact you to arrange an earlier pickup.

Have boxes sealed and ready **by 9:30 am Tuesday morning, the day prior to the scheduled Wednesday pickup** at the designated pickup site if EHS has not contacted you. Boxes for Pharmacy and CBLS must be placed in their designated waste room.

NOTE: Please email pickup requests **UNLESS** you are located in Potter, Pharmacy or CBLS (these are regular bimonthly stops).
