

Environmental Health & Safety 2026 BIOWASTE PICKUP SCHEDULE

Tel: 401-874-7019

srm@etal.uri.edu

Review the **Managing Biohazardous Waste SOP**, [Appendix H](#) of the University's biosafety manual, as there have been some changes.

Pickups are scheduled every other Wednesday. Dates with a Biohazard (☣) symbol indicate Biowaste Pickup dates. **Please use our Biohazardous Waste Pickup Request form** which is available on the EH&S web page (see the online calendar for the link) at: <https://web.uri.edu/ehs/biohazardous-waste-pickup-request-form/> Submit the online form by noon on Tuesday before the pickup.

Have boxes sealed and ready **by 9:30 am Tuesday morning, the day prior to the scheduled Wednesday pickup** at the designated pickup location in your building. Boxes for Pharmacy (Avedisian) and CBLS must be placed in their designated waste room. Boxes for Engineering (Fascitelli) must be put in the biowaste cage in the loading dock. Locations with **FROZEN PATH waste** (Peckham Farm and Avedisian) may place their boxes in the designated pickup area on Wednesday morning, **no later than 8AM**. Please fill out a pickup request if you have **FROZEN PATH boxes** to be picked up in any location so the medical waste vendor driver may be notified.

NOTE: Please email pickup requests **UNLESS** you are located in Potter, Avedisian, Fascitelli or CBLS (these are regular bimonthly stops).
