

How to Access Chemwatch

1. Go to [Microsoft Office 360](#) and use your Single Sign On email and password.

2. If you don't see the Chemwatch app  Chemwatch go to the top left of the page and click on the nine dots   to see all apps.

Chemwatch Search Engine SDS Search

The screenshot displays the Chemwatch Search Engine SDS Search interface. The browser address bar shows the URL <https://jr.chemwatch.net/chemwatch.web/home#>. The interface includes a navigation menu on the left with icons for Home, Risk Assess., D-Gen Lab, Credo, System Dashboard, and Chem Watcher. The main content area features a search form with the following elements:

- Name/CAS** field with a dropdown menu set to **EN**.
- Vendor** field.
- SEARCH** button.
- Full** and **Own** radio buttons.
- Clear**, **Show Own**, and **In-Tray** buttons.
- SDS AND LABELS** section with a circular progress indicator and buttons for **Gold SDS**, **Vendor SDS**, **Labels**, and **Mini SDS**.
- TOOLS** section.
- FOLDER SEARCH:** section with a search input and **Expand** button.
- FOLDER SEARCH:** section with a tree view showing folders: **COLLECTION**, **ENTERPRISE**, **FOLDERS**, **MANIFEST**, and **DELETED**.

A red arrow points to the **Vendor** field, and a red box contains the following text:

Type in product name or vendor here. For example, "WD-40" or "WD-40 Company" and click on "Search"

At the bottom of the interface, there is a **Live Help Chat** button and a **Show all** button.

Choose the Desired SDS

The screenshot shows the ChemWatch FFX interface. The search results table is as follows:

GROUP	TRACK	PART NO.	NAME	CAS NUMBER	VENDOR	OTHER NAMES	RELEVANCE	
	<input type="checkbox"/>	123	WD-40 Multi-Use Product Low Odour	WD-40	Au	Multiple	WD-40	90
	<input type="checkbox"/>	123	WD-40 Lubricant		Au	Multiple	WD-40	90
	<input type="checkbox"/>	123	Bio-Rad Bulk		Au	Multiple	WD-40	90
	<input type="checkbox"/>	123	WD-40 (UK) Bulk	WD-40	Au	Multiple	WD-40	90
	<input type="checkbox"/>	123	WD-40 TAL 5		Au	Multiple		89.67
	<input type="checkbox"/>	123	WD-40 Bulk		Au	—		89
	<input type="checkbox"/>	123	WD-40 Aerosol		Au	Multiple		87
	<input type="checkbox"/>	123	WD-40 Handy Pen	WD-40	Au	Multiple		86
	<input type="checkbox"/>	123	WD-40 (UK) Aerosol	WD-40	Au	Multiple		85.33
	<input type="checkbox"/>	123	WD-40 Force Field		Au	Multiple		85
	<input type="checkbox"/>	123	WD-40 Lava Bar Soap		Au

	<input type="checkbox"/>	123	WD-40 Bike Frame Protectant	WD-40	Au	Multiple		84
	<input type="checkbox"/>	123	WD-40 Solvol Liquid - Citrus	WD-40	Au	Multiple	Company	83

Annotations:

- Vendor SDS:** A red arrow points to the "Vendor SDS" bar in the "SDS AND LABELS" section. Text: "To view only vendor-authored SDSs, click on the 'Vendor SDS' bar. For a more detailed Chemwatch-authored SDSs, click on 'Gold SDS' bar. A 'Mini SDS' is a one page summary, including ingredients, pictograms, health hazards, hazard statements, and PPE."
- Gold SDS:** A red arrow points to the "Gold SDS" bar in the "SDS AND LABELS" section.
- Mini SDS:** A red arrow points to the "Mini SDS" bar in the "SDS AND LABELS" section.
- Chemical Selection:** A red box highlights the "Au" symbol in the "VENDOR" column of the table. Text: "Choose the chemical you want from the search list. The chemicals with the gold colored 'Au' symbol have a more detailed Chemwatch-authored SDS available to view."

SECTION 2 HAZARD(S) IDENTIFICATION

View Emergency Report

The screenshot displays the Chemwatch web application interface. The left sidebar contains a navigation menu with buttons for Home, Risk Assess., D-Gen Lab, Credo, System Dashboard, and Chem Watcher. The main content area shows the emergency report for 'WD-40 AEROSOL'. The report is organized into sections: INGESTION, EYE CONTACT, and SKIN CONTACT. A red box highlights the 'FIRST AID' button in the sidebar, with an arrow pointing to the 'FIRST AID' section of the report content.

WD-40 AEROSOL
FIRST AID

INGESTION

- Not considered a normal route of entry.
- If spontaneous vomiting appears imminent or occurs, hold patient's head down, lower than their hips to help avoid possible aspiration of vomitus.
- Avoid giving milk or oils.
- Avoid giving alcohol.

EYE CONTACT

If aerosols come in contact with the eyes:

- Immediately hold the eyelids apart and flush the eye with fresh running water.
- Ensure complete irrigation of the eye by keeping eyelids apart and away from eye and moving the eyelids by occasionally lifting the upper and lower lids.
- Seek medical attention without delay; if pain persists or recurs seek medical attention.
- Removal of contact lenses after an eye injury should only be undertaken by skilled personnel.

SKIN CONTACT

If solids or aerosol mists are deposited upon the skin:

- Flush skin and hair with running water (and soap if available).
- Remove any adhering solids with industrial skin cleansing cream.
- DO NOT use solvents.**
