

How to access EHS Training

Follow this link: <https://onsite.ehs.uri.edu/ehsa/public/webtraining/webtrainingindex>

This training link is also available on the OnSite home page under 'Quick Links', as 'Web Training'

If your single sign on (SSO) credentials have already been added to OnSite, then your name and training history will populate (example below).

**Please note that Worker ID is not your URI ID #, it is your SSO ID (i.e., email address, without the “@uri.edu”).*

Scroll through the available training options, which are grouped by position (i.e., minors, undergraduates, grad students/staff/faculty). There's a 'specific topics' section which can apply to anyone working in proximity to the relevant hazard(s) (e.g., formaldehyde, finger sticks, field research, radiation, etc.).
