Manage Classes Tile in e-Campus

From the Student Homepage in e-Campus, use the Manage Classes tile to find and enroll into classes (start by clicking on Class Search and Enroll).

In addition, you can view your current classes and your weekly schedule.

View My Classes

View the classes you are enrolled in for the term.
e-Campus Manage Classes Tile

View Classes by Class – you may Print this page

Viewing schedule by Date; you may Print this page as well.
Click on any class row to see Class Information, such as Meeting Information, Enrollment Information, Class Details, and Class Availability.
Also, note the “Enrollment Deadlines” link on the “View My Classes” page.

Clicking the link sends you to this page to see important Enrollment Deadline dates, including the Drop Calendar and the Cancel/Withdraw Calendar.
e-Campus Manage Classes Tile

Shopping Cart
Intuitively review and enroll in classes from your Shopping Cart. You can also validate that the courses in your Shopping Cart are still open or what is needed for your program.

Class Search and Enroll
Search for classes by keywords and enroll in classes.

Class Search will look for your keywords in course titles and descriptions, catalog numbers, and instructor last names. Enter specific keyword(s) for immediate retrieval of courses, for example course title, topic, subject and catalog number, class number.
You could type the Subject, Catalog Number, or even a keyword that may be associated with the class. For example, you could type something like "creative writing".

The search will produce results of your search, including a number of filter search options on the left side of the screen. This allows you to narrow your search based on your selection criteria. See the next screenshot as an example.
Notice the filters on the left side of the screen that allow you to narrow your search.
You may also use the “Additional ways to search” option.
Additional ways to search

Available Subjects

Accounting
Africana Studies
American Sign Language
American Studies
Animal and Veterinary Science
Anthropology
Aquaculture and Fisheries Science
Arabic
Art
Astronomy
Biological Sciences
Biological and Environmental Studies
Biomedical Engineering
Biomedical and Pharmaceutical Sciences
Biotechnology
Business
Business Analytics and Intelligence
Cell and Molecular Biology
Chemical Engineering
This produces your search result and how many class options are available.
Use Filters to refine search.
You may click on any row to begin registration into that respective class; or you may add to Shopping Cart for another time.

You may add a Class that you searched for into your Favorites to readily pull up that class in the future. You may also see all your Recently Viewed classes that you searched. You may clear these lists at any time by clicking "Delete All" for each respective area.
You may Remove a class from Favorites by clicking on that class and then clicking the “Remove from favorite courses” link.
You may also click on any of the Recently Viewed classes and Add that class to your Favorites.
