Year Round Pell Grant Fact Sheet 2017-18

Students that are eligible for a Pell Grant for 2017-18 may be eligible to receive an additional Pell Grant award, up to 150% of their Pell Grant Scheduled award, in the Summer of 2018.

1. How do I know if I am eligible to receive an additional Year Round Pell Grant for the summer term? The student must:
   • Have an official ISIR on file for 2017-18
   • Have completed all verification required if applicable
   • Be registered for at least 6 credits for the summer term
   • Be in good academic standing, i.e. making Satisfactory Academic Progress
   • Have a Pell Lifetime Eligibility Used (LEU) percentage less than 600%
   • **NOTE:** the amount of the Pell Grant is based upon your Expected Family Contribution (EFC) as determined from your FAFSA filing, your Cost of Attendance, and your enrollment status.
   • Your eligibility for a Year Round Pell Grant will be determined by Enrollment Services and posted to your account. There is no need for an additional application.

2. What happens if I drop below half-time (6 credits) enrollment for the Additional Pell period?
   • If a student drops any classes during a period in which they were scheduled to complete credits required to push a student into the Additional Scheduled Award eligibility, the Pell grant will be recalculated for the payment period according to the number of credits enrolled. This may result in a loss of the Pell grant award.

3. What is the Pell Grant Lifetime Eligibility Used (LEU) percentage?
   • The amount of Federal Pell Grant funds you may receive over your lifetime is limited by federal law to be the equivalent of six years of Pell Grant funding. Since the maximum amount of Pell Grant funding you can receive each year is equal to 100%, the six-year equivalent is 600%
   • To determine how much of the maximum six years (600%) of Pell Grant you have used each year, the U.S. Department of Education (ED) compares the actual amount you received for the award year with your scheduled award amount for that award year. Of course, if you receive the full amount of your scheduled award, you will have used 100%. It’s possible that you might not receive your entire scheduled award for an award year. There are a number of reasons for this, the most common of which are that you are not enrolled for the full year or that you are not enrolled full-time, or both.
4. How can I determine my Pell Grant Lifetime Eligibility Used (LEU) percentage?
   - You can log on to National Student Loan Data System (NSLDS®) at: https://www.nslds.ed.gov and, using your FSA ID, view your LEU. The LEU will be found on the Financial Aid Review page.
