PROGRAM CHANGES:

COLLEGE OF BUSINESS:

BS - Textiles, Fashion Merchandising and Design:

The Textiles, Fashion Merchandising and Design Department wishes to remove the requirement for TMD majors to have a 2.0 average in TMD 103G and CHM 103 in order to transfer into the College of Business Administration.
Memorandum

Re: Requirement change for TMD majors transferring into CBA

1. The Textiles, Fashion Merchandising and Design Department wishes to remove the requirement for TMD majors to have a 2.0 average in TMD 103G and CHM 103 in order to transfer into the College of Business Administration. The requirement was implemented to control enrollments. At that time the enrollment in TMD was over 400 students. Current enrollments are more manageable. Students benefit from being in the college at the end of their freshmen year because they are assigned a faculty advisor. The change should remove some of the pressure from the professional CBA advisors in University College. See the part crossed out in the catalog section below.

2. The requirements for Textile Marketing majors to transfer into the college will remain unchanged.

3. The Textiles, Fashion Merchandising and Design Department wishes to make CSC 101 a core requirement. See highlighted part added below.

The following core courses are required: TMD 103G, 126, 224, 232, 303, 313, 402, 433; one of the following: TMD 240, 426, 440, or 441; ART 101, 207; ART 120, 251, or 252; CHM 101/102 or 103/105; ECN 201 and 202; one of the following natural sciences: BIO 105, MIC 190, NFS 207 or 210, PHY 111/185 or PHY 112/186; and CSC 101. Fifteen credits of TMD electives (nine credits must be upper-level courses and no more than three credits from TMD 361, 362, or 461, 462) and 18 credits of professional electives (nine credits from any one area) are required. Students should choose TMD electives and professional electives in consultation with an academic advisor. Students must complete 24 credits with an overall 2.00 GPA and complete CHM 101 or 103, and TMD 103G with a 2.00 average to transfer from University College to the College of Business Administration. (The same requirements apply to students wishing to transfer into TMD from other majors.) TMD 402 is the capstone experience in this major. To complement classroom and laboratory/studio instruction, internships and study abroad are encouraged.
TMD Change - Has it been approved by the College

Hi Doug: While I was out on medical leave, a question arose regarding a proposal for TMD students transferring to the College of Business.

As we had no record of ever receiving it, Nancy was willing to accept it although it was not presented on a Notice of Change. (I can transfer the information to a Notice of Change for you.)

However, before this proposal is prepared for the new 2018-19 Curriculum and Standards Committee, we need verification that the faculty and dean of College of Business have approved this proposal.

Can you please verify that the attached proposal has been fully approved by the College.

Thank you,

joanne

NOTE: If you are a visitor to the URI Kingston campus on Mon – Fri before 4:00pm, please stop at the Visitor's Center on Upper College Road and receive a Visitor's Pass and parking area locations. After 4:00pm no pass is required. There are several non-URI parking lots surrounding the campus. URI has no control over these and if you park in one of these lots you will likely be towed at any time day or night.
