## Study Abroad in 9 Steps

1. **Complete Education Abroad 101**
   If you’ve ever thought about studying off-campus, this is the perfect place to start. Education Abroad 101 and Education Abroad 102 Information Sessions are offered throughout the semester.

2. **Apply or Renew Your Passport**
   Your most essential requirement for overseas travel is a passport. If you currently hold a passport, be sure to check the expiration date. If you do not have a passport, apply for one immediately.

3. **Search Programs**
   Explore your options in URIAbroad, our web-based advising and application software that will guide you through the global education process.

4. **Explore Your Resources**
   Explore the information you need in every step of the way, from affording it, to health and safety and academic information.

5. **Connect With Your Education Abroad Advisor**
   Meet with your Education Abroad Advisor by scheduling a virtual appointment in Starfish.

6. **Meet With Your Academic Advisor**
   Once you have selected a program, you should meet with your academic advisor to make sure the program satisfies your academic requirements and keeps you on track for graduation.

7. **Submit Your Education Abroad Applications**
   Depending on the program you are interested in, you may complete one or two education abroad applications.

8. **Complete The Pre-Departure Process**
   Submit all of the required items in URIAbroad and attend your Pre-Departure Orientation.

9. **Ready, Set, Go!**
