Gradcon2025 ORAL AND POSTER GUIDELINES

- **Submission:** Slides should be submitted in [PowerPoint] by [28/03/25] to gsagradconference@gmail.com
- A **10-minute presentation** might use around **8–12 slides** (including a title and conclusion slide).
- A **15-minute presentation** could have approximately **12–15 slides**.

This ensures you have enough visual support without overwhelming the audience or rushing through the content. It's also a good idea to keep slides concise, focusing on key points with visuals rather than text-heavy content.
