Dear New Student,

Welcome to the University of Rhode Island! We know this is an exciting time with much to do, but we want to inform you of some actions you must take to fulfill URI Health Services requirements. All new full-time undergraduate students must complete these requirements by **July 12, 2021.** Failure to submit this required health information by the deadline may result in a hold on your account that could hinder your ability to register for classes.

Please visit our website at [health.uri.edu](http://health.uri.edu) and click the **Welcome New Students – Get Started Here** banner. Detailed instructions on our website will guide you through the requirements. Below is a checklist of actions that need to be completed.

All URI students have a URI email account (uri.edu). Please check your URI email for communication from URI Health Services frequently during the summer. We will send you emails regarding immunization and health insurance waiver status. If you have further questions, please call Health Services at 401-874-2246, Monday-Friday, 8:00am - 3:30pm.
